ANNUAL REPORTS
of the
Selectmen & Other Town Officers
For the year ending December 31, 1995

FROM THE SELECTMEN'S DESK

I've spent some time reflecting as I finish up my third year on the Board and realize that this has been a very rewarding and fulfilling experience . . . albeit hectic at times. I like to think of the position as one which requires you to be a visionary, a teacher and a learner; conservative but not to the point of being penny wise and pound foolish. It is sometimes difficult to have the vision to look ahead and try to determine the towns needs and then set a path for the town. Indeed, the town wouldn't function without the help from all the townspeople who give their time on various boards. A heartfelt thank you!

The first Selectmen's meeting after town meeting in March found the Selectmen having to deal with the resignation of two members of the police department as well as serious concerns (in writing) from the State regarding the safety of our police cruiser. After several phone calls to the Dept. of Safety and other members of the DOT we felt we had no other reasonable alternative but to purchase a new cruiser.

Things seemed to go smoother after that initial crisis and the rest of the year found us dealing with more pleasant matters. Several large trees were cut down and the back hill was groomed behind the town hall. The town hall roof was stripped, re-plywooded, re-shingled and a few roof rafters were repaired. Some sill work was done on the south side prior to our putting in a handicap accessible doorway (more work to be done this summer!). The highway department purchased a used grader and later found another great deal on an OshKosh winter truck that will eventually replace the 1978 International. We are thankful that the town has seen fit to put money aside so that we can take advantage of a good deal when it comes along. The roads continue to improve (in spite of all the flooding we've experienced) and we will continue working to replace the bridges in town as money allows.

We made great strides at the transfer station this year, cleaning up several piles of demolition material, removing several loads of tires and purchasing a demolition pile roll-off container. The inside of the library got a wonderful facelift this summer as well as some major structural work. It looks terrific! We closed out the year by signing on the Rand Pond property. It is gratifying to know that no matter what happens with the boat access property, Goshen residents will continue to have access to Rand Pond.

Summerfest and Old Home Day continue to grow, as the townspeople share in celebration. This has been a most gratifying experience and I look forward to continuing to serve the town of Goshen.

TOWN WARRANT

TOWN OF GOSHEN
The State of New Hampshire

THE POLLS WILL BE OPEN FROM 11:00 AM TO 7:00 PM on Tuesday, March 12, 1996

THE BUSINESS PORTION OF THE MEETING WILL BEGIN
AT 6:30 PM on Saturday, March 16, 1996

To the inhabitants of the Town of Goshen in the County of Sullivan in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Goshen Town Hall in said Goshen on Tuesday, the 12th day of March, 1996, between the hours of 11:00 am and 7:00 pm to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. (By official ballot) "Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from the assessed value of residential real estate for property tax purposes? This statute provides that every inhabitant who is legally blind shall be exempt each year, for property tax purposes, from the assessed value on a residence to the value of $15,000.00. The term "residential real estate" as used in this section shall mean the same as defined in RSA 72:29. All applications made under this section shall be subject to the provisions of RSA 72:33 and RSA 72:34."

You are further notified to meet at the Goshen Town Hall in said Goshen on Saturday, the 16th day of March, 1996, at 6:30 of the clock in the evening, to act upon the following subjects:

3. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.

4. To see if the town will vote to increase the moderator's pay from $50.00 per session to $75.00 per session. Funds needed for this increase are included in Executive #4130.

5. To see if the town will vote to increase the hourly wage of the administrative assistant from $6.00 per hour up to $7.50 per hour (to be determined by the Selectmen). Funds needed for this increase are included in Executive #4130.

6. To see if the town will vote to increase the ballot clerk's pay from $25.00 per session to $40.00 per session. Funds needed for this increase are included in Election & Registration #4140.

7. To see if the town will vote to increase the hourly wage of the custodian from $6.00 per hour up to $7.00 per hour (to be determined by the Selectmen). Funds needed for this increase are included in General Government Buildings #4194.

8. To see if the town will vote to enter into a three year agreement with the Department of Justice for the purpose of hiring, training and employing a full-time police officer; further to raise and appropriate $32,007.52 for the first year of this agreement with the Federal Government to provide $25,105.32 of such funding, the town's share being $6,902.20.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Goshen
Goshen, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Goshen as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Goshen as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Goshen. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics

POLICE DEPARTMENT
1995 ANNUAL REPORT

1995 has brought about many changes for the Town of Goshen, especially to the Police Department. In May, I was named Officer-In-Charge. Since then, a new police cruiser, a 1995 Ford Victoria, was purchased for the Town, with the approval of the Selectboard and Budget Committee. The new police cruiser cost less than the amount which had been raised and appropriated by the Town in past years. The Police Department also purchased a 1977 Dodge 4 x 4 Pickup Truck. This truck was obtained through a Federal Grant and cost the Police Department $20,00 (twenty dollars).

In July, the statewide enhanced 911 program went into effect. The system is designed to provide better emergency assistance to citizens throughout the State.

Also in July, the Selectboard approved an application for a Grant which was sent to the Federal COPS (Community Oriented Policing Services) Program for funding for a full-time police officer for the Town of Goshen. The Grant would help fund the salary, benefits, training, etc. of a full-time police officer for a three year period. The government funding would constitute 75% of the cost, while the Town would be responsible for the remaining 25%. In September, the Grant was approved by the Government, which authorized the Town to hire a full-time police officer. The funding for the full-time officer will be voted on at the Town Meeting in a Warrant Article. A great deal of time has been invested in getting this grant funded through the Federal Government. The support of the Town is requested for this full-time police officer position for the three year period, so that the Police Department may provide better services to the Town for the least amount of money as possible.

in September, Edward Anderson, was hired as a part-time police officer. Officer Anderson is a long-time resident of Goshen and has proven that he wants what is best for the Town by volunteering countless hours of his own time to become a Certified Police Officer. Officer Anderson has continued to volunteer his time to the Police Department to attempt to give the citizens of Goshen the best police protection he possibly can.

Officer David Burnham has also proven to be an asset to the Town, particularly during the transitional period following my hiring. Without his assistance, my orientation would have taken much longer, and the Department would not have been able to move forward as it has.

Dave Burnham and Eddie Anderson are two good examples of the fine citizens that I have come to know in Goshen. On behalf of the Goshen Police Department, we look forward to serving the Town.

GOSHEN VOLUNTEER FIRE DEPARTMENT
1995 REPORT

The Goshen Volunteer Fire Department had a busy year in 1995. The Department answered 28 calls which are as follows:

C2O Alarm Sounding	1
Mutual Aid	2
Structure Fires	1
Plugged Chimney	1
Chimney Fires	2
Grass Fire	1
Motor Vehicle Accidents	9
Illegal Burns	1
Wires Down	4
Electrical Problem	1
Auto. Fire Alarms	1

Smoke Invest.	1

316.75 hours were spent on the above calls, as well as 170 hours on training, and 485 hours on meetings and work details for a total of 971.75 hours.

6 new Air Packs were obtained by the Dept. on a 5 year lease purchase plan. These will replace 6 Air Packs that ar 18+ years old. Also a 1975 Ford-Pierce Pumper was purchased. This truck will replace the 1958 International.

Just a reminder that Enhanced 911 is now in operation in N.H. For emergency calls only dial 911, this will connect you with the proper Agency to send you some help. For non-emergency help the Dispatch may be reached at 542-5155.

For fire permits call Fire Warden Arthur Nelson, at 863-1509.

At this time I want to thank all those who helped the Dept. in the past year, and also a thanks to the Goshen Police Dept. for all their assistance.

REPORT OF NEWPORT AMBULANCE SERVICE
Calendar 1995

In calendar 1995, Newport Ambulance responded to 874 calls for service. This reflects a little less than 4% increase over the 844 calls handled in the previous year. There were 36 responses to the Town of Goshen, compared to 34 calls for service in 1994.

There were no significant changes within the department last year. We continue to run with a minimum of two EMT's on every call. Every crew is trained in cardiac defibrillation and on most calls some level of advanced life support is also available.

We currently operate with a staff of 15 volunteers and a full time paramedic/ director. Two EMT classes in the area as of this writing will hopefully provide even more qualified personnel in the Newport-Goshen area.

Our annual Health & Safety Fair will be held on the Newport Common on Saturday, June 22, 1996. The members of the Newport Ambulance Attendant's Association cordially invite you to attend. There's plenty of fun to be had, food to eat, and of course lots of free information on health and safety.

The Ambulance Department wished to thank the Town of Goshen for their continuing support.

Respectfully submitted,
Brian. W. Tracey, Director

GOSHEN HIGHWAY DEPARTMENT
1995 REPORT

Following is a report of some of the work done by the Goshen Highway Department in 1995.

The 1958 Galion grader was replaced by a 1979 Galion grader for the cost of $9,000.00 We also purchased a 1982 OshKosh all-wheel drive highway truck with 3,200 original miles, 429 original hours, with a reversible front plow from the Federal Government for the sum of $10,00.00

Nineteen culverts were replaced and installed, 3,000 yards of gravel was processed and paplied to the town roads.

We continued our ditching project, stockpiled 1,700 yards of sand for winter use, built a new ramp for the transfer station, and built a drive and handicap access at the town hall.

I widh to thank the Board of Selectmen for their support and cooperation, and my assistant Chris Butler for his help.

Respectfully submitted,
William S. Stevens
Road Agent

PLANNING BOARD REPORT
1995

The Goshen Planning Board meets on the second and last Tuesday evening of the month at 8:00 p.m. at the Town Hall. Work meetings are held on the last Tuesday, regular meetings on the second Tuesday. All meetings are open to the public.

After the town meeting and elections, Fred Faulkner was elected chairman of the Board. Mr. Faulkner resigned from the Board in May for personal reasons.

Kevin Scarlett and Sidney Lorandeau were appointed to the Board as regular members to fill existing vacancies. Patricia Stephen continues to act as an alternate.

Arne Nilsen, Kevin Scarlett and Sidney Lorandeau have acted as chairman throughout the remainder of the year.

During 1995 the Board granted one lot line adjustment and one major subdivision.

Respectfully submitted,
Gertrude Konrad
Secretary

OLIVE G. PETTIS LIBRARY
TRUSTEES REPORT 1995

This has certainly been a very busy year for the Library.

In June the Library became an associate member of the Statewide Library Development System with a provisional status. The Trustees will meet six times a year to comply with State recommendations. The Library has also increased hours to fifteen hours. We have also become members of the Upper Valley Co-operative and are participating in Inter-Library book and video programs in order to bring new material to your Library.

In May, a covered dish supper was held at the Barretts in honor of Pat Stephan to thank her for her years of work on the Board of Trustees. The supper was attended by Trustees and Friends of the Library and families.

The annual Summer Fest was held in July by the Friends of the Library and, in spite of the bad weather, it was a success.

The Board accepted, with regret, the resignations of Andrea Willett and Harold Barker. We also welcomed Melinda Merrigan and Evelyn O'Connor to serve out their remaining terms until Town Meeting.

The Library was closed from mid August to Old Home Day in October for much needed repairs and renovations. Special thanks are due to all those who worked so hard: Ethel and Arnie Nilsen, Lilyan Wright, Pat Stephan, Evelyn O'Connor, Sherri and Chris Moen, Jean and Paul Barrett, Heather and Joe Downey and children and their friend Shawn McCarthy, Pat and Don Dazet, Ian LeClair, Fred and Elaine Wood, Doug C'Clair, Herman Mann, the electrician and Gary Dennis and family, plastering and wall refinishing, Dan Hunter, the members of the Work Camp and the many neighborhood children.

A Halloween Ghost Walk was held by the Trustees and Friends. Cider and donuts were served to all brave enough to complete the walk.

In December, a Craft and Bake Sale was held along with a book signing by local author, Doris Newman.

The Library is moving ahead with plans to add a rest room and handicapped entrance in the near future. We hope that each year will bring us a step closer to a Library that the whole Community will use and be proud of. We hope that the Community will continue to support the Library by stopping in and seeing the improvements and the new books and videos. Join your Library and enrich your life.

Thank you for your continued support of VNA services. In 1995, we provided more than 1,200 visits in Goshen, 7 days a week/24 hours a day.

All of the appropriated funds from the town of Goshen have been used to provide home care visits, hospice volunteer training and supervision, and well child clinic visits to people who had no insurance or inadequate insurance or funds. Other visits were subsidized by donations or paid by commercial insurance or from state and federal grant funds.

We depend heavily on the selfless support of volunteers and employees who contribute hours to the success of our programs. For them and our Trustees, we are grateful. Three VNA employees live in Goshen as does Marilyn Sherman, CHS Trustee.

1995 Annual Report
Upper Valley Lake Sunapee Regional Planning Commission

The Upper Valley Lake Sunapee Regional Planning Commission is a voluntary association of 31 towns, four Vermont and 27 New Hampshire communities. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource, and informational agency, and when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional publications, such as our **Regional Profile,** regional studies, such as our Regional Transportation Plan, and regional projects, such as the Lake Sunapee Watershed Management Plan, are undertaken to the benefit of more than one community.

In the past year, services such as our Planning Board training series, and library which features maps, planning resources and US Census data, were available to all of our member communities. A complete list of services and regional projects which benefit our members follows the list of services provided directly to residents of Goshen.

In 1995, our work specifically for the Town of Goshen included:

- Counted daily traffic at four locations using computerized equipment and provided data to the Town.
- Answered Planning Board questions about the proper form for zoning amendments on warrant and procedure for warning.
- Developed a proposal for GIS trail mapping project.
- Answered Conservation Commission questions about wetlands mapping, natural resource inventory, ridgeline protection and geographic information systems (GIS).
- Provided information about GIS contour mapping and land trusts.
- Organized a household hazardous waste collection for Sullivan County to be held in 1997.

Our Commission looks forward to continuing to serve Goshen in the coming year.

Services Which Benefit All Member Communities

- Consult and help residents of member communities as, and when, asked.
- Meet with state officials and agency representatives to influence policy and to help keep the Region an active participant in many ongoing programs. This includes activity with transportation, solid waste, economic development, and environmental regulatory agencies in both New Hampshire and Vermont.
- Maintain a library of regional data, maps and planning resources, and answer many requests for information.
- Use the Geographical Information System (GIS) to perform mapping and analyses for member towns.
- Assist the Upper Valley Solid Waste District in dealing with solid waste issues. Provide general staff support for the District.
- Provide administrative support for the Upper Valley Household Hazardous Waste Collection Program.
- Work in cooperation with the Sullivan County Economic Development Commission and the Green Mountain Economic Development Corporation.
- Sponsor local sessions of the NH Municipal Law Lecture Series.
- Provide technical assistance to Advance Transit.
- Use the Regional Transportation Advisory Committee to develop regional policies and recommendations for the Regional Transportation Plan.
- Provide data about our regional build out analysis which forecast the population and number of dwellings in the Region when totally built out.
- Revise and update the Regional Plan.
- Comply with applicable Vermont Act 200 requirements at the local, regional and state level, including participation in the Council of Regional Commissions.
- Participate in Vermont Act 250 reviews.
- Sponsor planning board training sessions in New Hampshire and Vermont.
- Work with Upper Valley Land Trust and the Society for the Protection of NH Forests to protect open space and conserve important parcels of land.
- Participate in and work with the Connecticut River Valley Resource Commission.
- Review land use controls and master plans, and suggest amendments.
- Update the Regional Profile, a compendium of information about the Region. Many businesses use this resource.
- Focus on the regional economy through our Economic Initiative Project.

1995 Annual Report
of the
Sullivan County Economic Development Council, Inc.

A report on the activities of the Sullivan County Economic Development Council for 1995.

Successes highlighted are:

A. Obtaining a Community Development Block Grant from the Office of State Planning for the County. This grant will be used to provide assistance to East Coast Steel, Inc., located in Claremont to purchase machinery and equipment for this new location. When the Company is fully operational the county job base will be increased by 180 jobs and our revolving loan fund will increase substantially.

B. The Claremont Foundry, formerly known as Joy Technologies, Inc., is under new ownership and operational. SCEDC's role in this project began in January by providing assistance to an employee buy-out association and has recently been completed by providing financial assistance. 28 jobs were re-established.

C. Financial assistance was also given to Skyline Designs which recently began construction of a new facility in Newport.

D. SCEDC continues to maintain and expand it's Revolving Loan Fund for the purpose of assisting existing and new companies with financial needs.

E. We are also working with other companies interested in expanding and relocating in the County. Some of these projects will hopefully come to fruition in the Spring of 1996.

Along with the effort to expand our industrial base, increase the area's wage base and provide financial assistance, SCEDC is working with other groups that are interested in enhancing Sullivan County.

A labor task force was established for the purpose of conducting a study of the County's labor pool. As part of this process an 800 piece mail-out was done to survey businesses relative to their employees strengths and weaknesses. Results were compiled and work will begin on correcting our short falls. SCEDC is also serving on the School-To-Work Program which includes individuals at the local and state level, educators and business owners.

Work continues with Charlestown Economic Development Association (CEDA) and the Economic Corporation of Newport (ECON) to establish a county initiative regarding tourism. This ia an area in which everyone would reap the benefits.

1995 was a very productive year for SCEDC as well as the County and we will continue to work towards the betterment of the entire area.

If you have any questions regarding this report, please feel free to contact our office at 543-1298.

SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Goshen-Lempster Cooperative School District, in the towns of Goshen and Lempster, in the county of Sullivan, in the State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School Gymnasium in Lempster, on the 9th day of March, 1996, at seven o'clock P.M. to act upon the articles set forth in the Warrant. Articles 1, 2, 3 and 4 of the Warrant covering the election of Moderator, Member of the School Board from Goshen and a member from Lempster, and Auditor will be acted upon at three o'clock P.M., and voting will be by official ballot and checklist. The polls will remain open for this purpose from three o'clock P.M. until at least seven-thirty o'clock P.M.

ARTICLE 1.

To choose a Moderator for the ensuing year.

ARTICLE 2.

To choose a member of the school board from Goshen for the ensuing two years.

ARTICLE 3.

To choose a member of the school board from Lempster for the ensuing five years.

ARTICLE 4.

To choose an auditor for the ensuing year.

ARTICLE 5.

To hear reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

ARTICLE 6.

To see if the district will vote to determine and fix the salaries of school district officers as follows: school board members $250 per member per year; school board chairman $300 per year; school district moderator $50 per meeting; school district clerk $350 per year; and school district treasurer $425 per year. (The School Board recommends this article).

ARTICLE 7.

To see if the district will vote to raise and appropriate the sum of **TWO MILLION SEVENTY NINE THOUSAND SEVENTY SIX DOLLARS ($2,079,076)** as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at **THREE HUNDRED TWENTY-FOUR THOUSAND SIX HUNDRED FIFTY-SEVEN DOLLARS ($324,657)**. (The School Board recommends this appropriation.)

ARTICLE 8.

To see if the District will authorize the School Board to study the feasibility of withdrawing from SAU 43 and to take the necessary action to reorganize into a new SAU. (The School Board recommends this article.)

ARTICLE 9.

To see if the district will vote to raise and appropriate the sum of **SEVENTEEN THOUSAND EIGHT HUNDRED NINETY-NINE DOLLARS ($17,899)** as a deficit appropriation to the 1995-1996 budget to cover increases in the cost of special education and tuition costs and instruct the Clerk to issue a certificate therefore to the Selectmen of the Towns of Goshen and Lempster. (The School Board recommends this appropriation.)

ARTICLE 10.

To see if the school district will vote to raise and appropriate the sum of **FIVE HUNDRED DOLLARS ($500)** to be added to the Goshen-Lempster School District Capital Reserve Fund previously established. (The School Board recommends this appropriation.)

ARTICLE 11.

To see if the district will vote to raise and appropriate the sum of **ELEVEN THOUSAND DOLLARS ($11,000)** to install an auxiliary power system (generator). (The School Board recommends this appropriation.)

ARTICLE 12.

To transact any other business that may legally come before this meeting.

Given under our hands this 20th day of February, 1996.

GOSHEN-LEMPSTER COOPERATIVE SCHOOL DISTRICT
MINUTES OF THE ANNUAL MEETING
OF THE GOSHEN-LEMPSTER SCHOOL DISTRICT

March 4, 1995

ON A MOTION BY PHILIP KEELER AND A SECOND BY DANIEL HUNTER THE POLLS WERE OPENED AT 3:00 P.M. FOR THE PURPOSE OF VOTING ON ARTICLES 1, 2, AND 3.

The business meeting was recessed until 7:00 p.m. by Moderator John Williams. The meeting was called to order at 7:03 p.m. by the moderator. Board members Paul Barrett, Doris Adler, David Keeler and Donald Arsenault were present along with Superintendent Liz Durocher and Business Administrator Allen Damren. Board member Fred Smith was absent.

ARTICLE 1.
To choose a moderator for the ensuing year.

John Williams was elected moderator for a one year term by 140 votes.

ARTICLE 2.
To choose a member of the school board from Goshen for the ensuing five years.

Arthur Jillette was elected for the 5 year term with 68 votes. Other votes cast were as follows: Arne Nilsen-66; Barbara Richards-1; John Scranton-1; Nick Scalera-1.

ARTICLE 3.
To choose an auditor for the ensuing year.

Donald Allen was elected auditor with 14 votes. Other votes cast were as follows: Fred Bard-8; Renda Elmore-4; Henry Frank-2; and Ken Roberts, Darlene Morse, Tim Jacob, Shura Keeler, Michael Shklar, Tina Kohanski, Henry Frank, John Hussey, Fred Smith, John Michaels, Debbie Stevens, Barbara Chadwick, Jim Moul, and Ann O'Clair - 1 each.

ARTICLE 4.
To hear reports of agents, auditors, committees, or offices chosen, and pass any vote relating thereto.

MOTION MADE BY DON ARSENAULT AND SECONDED BY JOHN MICHAELS. ARTICLE PASSED UNANIMOUSLY.

ARTICLE 5.
To see if the district will vote to raise and appropriate the sum of **TWO MILLION FOUR THOUSAND FOUR HUNDRED EIGHTY-SIX DOLLARS ($2,004,486)** as recommended by the school board, for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of available income estimated at THREE HUNDRED TWENTY THOUSAND ONE HUNDRED AND SIXTY SIX DOLLARS ($325,166). (The School Board recommends this appropriation.)

MOTION MADE BY DON ARSENAULT AND SECONDED BY FLORENCE MICHAELS. SCHOOL BOARD MEMBER DON ARSENAULT MOVED TO AMEND THE ARTICLE TO BE INCREASED BY THIRTEEN THOUSAND FOUR HUNDRED THIRTY-SEVENTY DOLLARS ($13,437) FOR A TOTAL OF TWO MILLION SEVENTEEN THOUSAND NINE HUNDRED TWENTY-THREE DOLLARS. This addition consisted of a water treatment system costing approximately $9,000 that would care for the water problem at the school plus over

$4,000 to pay for the school's share of a speech pathologist required at the school. Allen Damren explained the water problem noting that it was not a critical one since the state was not requiring that it be completely remedied until 1996. THE MOTION TO AMEND WAS DEFEATED WITH A VOICE VOTE AND A STANDING VOTE.

There was considerable discussion regarding the burden of special education which made up over one fifth of the budget. Superintendent Liz Durocher recommended that citizens contact their federal and state representatives since the special education bill #94-142 is up for review this year. Doris Adler noted that the special education part of the budget pays for 42 students' education including out of district placements.

THE MOTION WAS PASSED BY A VOICE VOTE.

ARTICLE 6.
To see if the school district will vote to raise and appropriate the sum of seventy-seven thousand nine hundred dollars ($77,900) as a deficit appropriation to the 1994-95 budget to cover increases in the cost of special education and tuition costs and instruct the Clerk to issue a certificate therefor to the selectmen of the Towns of Goshen and Lempster.

THE MOTION WAS MADE BY DORIS ADLER, SECONDED BY PAUL BARRETT, AND PASSED BY A VOICE VOTE.

ARTICLE 7.
To see is the school district will vote to raise and appropriate the sum of FIVE THOUSAND EIGHT HUNDRED DOLLARS ($5,800) to replace the fire box in the original boiler system and to replace the warm air furnace and further to authorize the withdrawal of FIVE THOUSAND EIGHT HUNDRED DOLLARS ($5,800) from the Capital Reserve Fund created for the purpose of building repairs.

THE MOTION WAS MADE BY DON ARSENAULT, SECONDED BY HARRY STOVER, AND PASSED BY A UNANIMOUS VOICE VOTE.

ARTICLE 8.
To see if the school district will vote to raise and appropriate the sum of THREE THOUSAND SEVEN HUNDRED FIFTY DOLLARS ($3,750) to fund the purchase of three new computers and printers for use in classroom instruction for students in the school district.

THE MOTION WAS MADE BY DON ARSENAULT, SECONDED BY HARRY STOVER, AND PASSED BY A UNANIMOUS VOICE VOTE.

ARTICLE 9.
To see if the district will authorize the school board to apply for, accept and expend, without further action of the School District meeting, money from any source that becomes available during the year, as outlined in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the school board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other school district funds.

MOTION MADE BY DON ARSENAULT AND SECONDED BY JOHN MICHAELS. THE ARTICLE PASSED UNANIMOUSLY.

ARTICLE 10.
To transact any other business that may legally come before this meeting. Given under our hands this 10th day of February, 1995.

Rudy Adler mentioned that the Capital Reserve fund still has a little less than $2,000 in it. He suggested that the school district put any surplus funds at the end of school years into this reserve fund for emergency needs.

Michael Shklar announced on behalf of Carol Stamatakis that there is a scholarship being offered this summer for 4-H Conservation. Any Lempster students may contact the Conservation Committee for information.

Norton Best moved that a committee be formed consisting of about 3 citizens from each town to spearhead a move regarding special education. The moderator said for people interested to see Mr. Best after the meeting . Approximately 6 people raised their hands expressing interest. Norton agreed to come to the March 7 meeting to work out details with the school board.

John Scranton asked what the cost to the district would be if Newport withdraws from the SAU. Doris Adler said Sunapee has voted to withdraw. If this move is approved by the state, it is believed the Goshen/Lempster District would be invited to join either Sunapee or Newport. The school board estimates that the costs within the new SAU would be comparable to current costs.

Paul Barrett thanked Tim Jacob for serving on the budget advisory committee and expressed his wish that Mr. Jacob would continue to do so.

ON A MOTION BY JERRI BRUNO AND A SECOND BY MICHAEL SHKLAR THE MEETING WAS ADJOURNED AT 8:25 PM.

The polls were closed 5 minutes later.

Respectfully submitted,

Shura Keeler
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Towns of Goshen and Lempster:

This has been a very busy year at the Goshen Lempster Cooperative School. At the March 1995 District School meeting the community supported Mr. Bonfiglio spending more time as district principal. This has helped the daily operations of the school.

A District Wide Committee, consisting of school and comunity members, was formed in the fall to develop a vision and mission to guide program development. At present the team is working on curriculum goals, objectives and learning outcomes as part of a required School Improvement Plan that will be submitted to the State Department of Education in May. Along with the School Improvement Plan, a Technology Committee has been formed to develop a multiple year technology plan for the district. As technology is, and will be, an integral part of everyday life we need to make sure that our children are trained in technology applications.

An issue that the district needs to continue to work towards is coming into full compliance with the Minimum Standards for Public School Approval. Art, Music and Physical Education were added to the curriculum this year. Next year guidance services must be added. We are also in need of a certified library generalist and reading specialist. We have been submitting alternative compliance plans to the state for the last three years. The state is now requiring your district to come into full compliance.

The board of education has worked diligently to provide support for programs and technology development, yet, holding the administration accountable for dollars spent. The Board, along with the Budget Advisory Committee, has spent many evenings developing the budget that will be presented at your annual meeting. This budget provides for a good solid academic program for your students and is cost effective.

Since this is my last report as your Superintendent of Schools, I'd like to take this opportunity to thank all of you for your support and encouragement during the last three years. I shall miss working with John, teachers, community members and the school board.

Respectfully submitted,

Dr. Elizabeth A. Durocher
Superintendent of Schools

PRINCIPAL'S REPORT
1995

The past year was filled with an enormous number of educational and social activities at the Goshen-Lempster Cooperative School. School staff and community members are becoming increasingly more integrated in their efforts to provide quality experiences for the children of the community. We have realized that community/school alliance is essential for good parenting and for good teaching. We all work together to achieve a quality school program by providing meaningful experiences for the students. Some of the activities of the past year were:

JANUARY

The Goshen-Lempster Parent/Teachers' Club sponsored a unique program with the classroom visitations of Rex Roberts, an American Cowboy. Mr. Roberts, a working cowboy from Northeast Oregon, entertained students with songs, poetry and stories that are designed to close the gap between the image and the reality of the American Cowboy.

Ms. Barbara Chadwick and Mr. Phillip Tirrell once again volunteered their services as coaches of an intramural basketball program. The coaches conducted after school practice sessions for the students; the teams played after school games which were attended by parents and community members.

Ms. Wells' sixth grade class was lauded for raising a donation of $150.00 for David's House at the Dartmouth-Hitchcock Medical Center.

FEBRUARY

The second year of the Goshen-Lempster School's Winter Activities Program was completed with students participating in tennis, bowling, skating, downhill skiing, cross country skiing, basketball, volleyball, craft making, sewing, model building, and cooking activities. The effort involved all of the school staff, but a great deal of the organization was through the efforts of Ms. Maxfield, Ms. Parsons, Ms. Howard, and Mr. Abendroth.

International 4-H Youth Exchange delegate, Merrill Santy, gave a slide presentation to students on his stay in Latvia.

MARCH

Ms. Geuser and Mr. and Ms. O'Clair, working with Eighth Grade students and their parents, provided the community with a Ham & Bean Supper prior to the School District Meeting. The supper was a fund raising event for the class trip to Lake George in June.

Mr. White and his Art students organized an exhibit of student art projects for community members at the School District meeting.

International 4-H Youth Exchange delegate, Kerry Harmon, presented her experience of living in the Netherlands to students in Kindergarten through Grade Eight.

Ms. Patrice Brewer and her Eighth Grade Class were selected by the National Assessment Governing Board to be involved in a research project aimed at validating eighth grade achievement levels in history education. Ms. Brewer, who was nominated as an outstanding New Hampshire Social Studies teacher, was selected by the National Assessment of Educational Progress program to serve as a panelist in the U.S. History achievement levels-setting process.

Two Goshen-Lempster School teams participated in the N.H. Odyssey of the Mind competition in Keene. Coach Ms. Heather Downey and her team entered into the challenge titled "Time Traveler"; the team members were: Julie Heath, Josiah Downey, Matthias Downey, Jesse Gagnon, Justin Lamontagne, Corey Shinners, and Jacob Shinners. The challenge for Ms. Ruth LeClair's team was the "Scientific Safari"; those students were: Ashley Decoteau, Desiree Wright, Christina Wright, Emily Filkins, Angela Carleton, Brian Johnson, and Angela Brown. Our coordinator for N.H.O.M. is Ms. Heather Downey.

At School District Meeting, the Goshen-Lempster Cooperative School District made its first direct investment in the development of technology within the school. In a separate article, $3,750.00 was raised to purchase CD ROM computer equipment. The goal is to have a CD ROM unit in each classroom. This was a wise investment; the role of technology is to act as an enhancement for teaching students to think critically, communicate creatively, and solve problems in an analytical way.

Ms. Maxfield's Third Grade class embarked on a project that proved to be among the most creative in elementary school education. The unit, entitled Model Home, was designed to integrate physical science, world geography, and writing into a meaningful learning experience that would develop the students' knowledge and understanding of the process of and the industry of dwelling house construction. The unit was developed in four phases: Structures and Geography (world structures and landmarks); Experimenting with Structures (structure stability in building); Designing a Structure; and Building a Home. Parents, who are professionals in various fields of building construction, acted as supervisors of the crew (students) as the model home was built to a 1/12 th scale. Two parents who were particularly involved in the process were Mr. Jeff Osgood and Mr. Gary Dennis.

APRIL

Ms. Maxfield's Third Grade model home was presented at the New Hampshire Home Builders' Home Show in Manchester. The model would be judged in a competition of school building projects entered from districts throughout the state.

Mr. Davidson's Seventh and Eighth Grade science classes participated in an invention project through the Young Inventors program. Staff members and community members judged the inventions based on originality, creativity, construction, usefulness and presentation.

MAY

Mr. Ekstrom and Ms. Wells and several parents accompanied the Fifth and Sixth Grade students to Sturbridge Village in Massachusetts. The field trip was intended as an educational experience that would provide a realistic look at rural life during the mid-nineteenth century.

The P.T.C. held a "Best of the West Fest" on Sunday, May 7. The event, which included Southwestern cuisine and country line dancing by KT Aerobics, was an effort to raise funds for the Winter Activity Program. Many hard working moms, working as the P.T.C., consistently make an incredible effort to provide such functions; some of those parents are: Ms. Jane Skeie, Ms. Judy Brenner, Ms. Jane Heath, Ms. Kim Gaddes, Ms. Sharyn Dalling, Ms. Susan Scalera, Ms. Annette Howard, Ms. Ginny Jacobsen, Ms. Chris Smith, Ms. Tricia Caron, Ms. Kim Bevilacqua, Ms. Doreen Murray, and more.

On May 9, in celebration of National Teachers' Day, the P.T.C. treated the staff to a luncheon that the members had prepared.

JUNE

The Eighth Grade Class made a class trip to Lake George, New York. The three day excursion involved educational tours, a boat ride, rafting, and a day at the Amusement Park. The fund raising for and organization of the trip was accomplished by the Eighth Grade students and their parents; the coordinators were Ms. Ann O'Clair, Mr. Doug O'Clair, and Ms. Tami Geuser.

The Goshen-Lempster Education Association awarded four scholarships to former Goshen-Lempster students who are enrolled in college programs: Joseph Abraham (UNH); Kezia Montgomery (Colby Sawyer); Hillary Smith (Niagra College); and Steven Smith (UNH).

On the evening of June 14, parents and guests were welcomed to the Eighth Grade Graduation exercises by the Class Salutatorian Betsy Edes. The Class History was delivered by Third Honors Graduate Renee Osgood, and the farewell address was made by Class Valedictorian Melissa O'Clair. Awards were presented by Mr. Davidson and Mr. Bonfiglio, and Newport Middle-High School Guidance Counselor, Carolyn Fellows, addressed the graduating students. The ceremony followed with a reception for the graduates sponsored by the P.T.C.

On the last day of school, an awards assembly was held to honor school volunteers and students for various achievements. P.T.C. President Judy Brenner made the award presentations, and the entire school viewed a slide presentation of the Eighth Grade Graduates saying goodbye to the Goshen-Lempster School. The highlight of the program was the presentation of a trophy and a $300.00 award for future projects to Ms. Maxfield's Third Grade Class by representatives of the New Hampshire Home Builders Association. The students came in First Place in the state in the Elementary School Division for their Model Home Building project.

SEPTEMBER

The new school year opened with a Welcome Back assembly to introduce new staff and students and to establish a new theme for the upcoming year; the theme for the new year was, "I choose to learn so I can make a difference". Staff members that had left were Mr. Allen Abendroth (Special Needs Teacher), Ms. Carmen Eichhorn (Resource Room), Ms. Kathy Shinners (School Nurse), and Mr. Donald White (Art). We welcomed Ms. Patty Foose (Special Needs), Ms. Janis Belevance (returning to the Resource Room), and Ms. Colleen O'Connor (Art) as new staff members.

Dr. Lilyan B. Wright, a resident of Goshen, coordinated and coached an after school field hockey program for students. The P.T.C. sponsored the acquisition of the hockey equipment that Dr. Wright arranged for through the Nation Field Hockey Association.

The P.T.C. coordinated two projects in September, a new school sign on Route 10 and work on the playground equipment. The new sign is used to post upcoming events at the school. Many parents were involved in the Saturday playground workdays. Mr. and Mrs. Downey invested a great deal of time in the venture, coordinating the construction of a new sand box, the addition of "tire jumps" to the playground scheme, the renewal of the mulch ground covering, the installation of a very popular tire swing, and the addition of a decorative waste container. Mr. Gary Dennis checked the safety of the existing structure, replacing parts and refurbishing bracing where needed. Ms. Kim Gaddes and Mr. Steve Lamery donated large primary play equipment for the playground.

OCTOBER

During National School Lunch Week, Ms. Rachel Tirrel and Ms. Henrietta Hodgman coordinated an invitation to parents and grandparents to come in to school to have lunch with their children and grandchildren. Approximately one hundred people came in for lunch.

On October 12, Lempster Fire Chief Philip Tirrell and fire fighters Barbara Chadwick and David Loring presented a fire safety program to students. This very important effort of fire prevention education is made by the Lempster Fire Department every year.

NOVEMBER

A School Planning Team was formed to craft a vision to guide the development of the Goshen-Lempster School into the Twenty First Century. The team will utilize the vision to derive working objectives for the improvement of the school program. Members forming the planning team are: Donald Arsenault (facilitator), Dr. Lilyan Wright, Ms. Barbara Richards, Ms. Debbie Stevens, Ms. Ruth LeClair, Mr. John Bonfiglio, Ms. Carolyn Fellows, and Ms. Sandra Lord.

The teaching staff engaged in an ongoing work effort to align the Goshen-Lempster School curriculum with the newly developed New Hampshire Curriculum Frameworks. The teachers have been working with Sunapee teachers to ensure that the curriculum development is articulated for continuity from Kindergarten through grade twelve.

The sixth annual Christmas Crafts Fair was held on Sunday, November 19. Professional crafters were set-up in the gymnasium and student craft tables were arranged in the lunchroom. P.T.C. members, staff members and parents invested an incredible amount of time and energy into the fair. Santa (Mr. Arthur Jillette) and Mrs. Clause (Ms. Rickard) were available for photos with children. The food concession was organized by Ms. Judy Brenner, Mr. Gary Dennis, Ms. Marianne Dennis, Ms. Ginny Jacobsen, Ms. Annette Delaney, and Mr. Bud Decoteau. The many activities, such as decorating cookies and taking hay rides, contributed to a fun-filled day for the community.

DECEMBER

On Thursday, December 21, the music teacher, Ms. Elin Peterson, conducted a Holiday assembly for parents and community members. The students, assembled in tiers before the audience, performed a varity of festive singing selections. Ms. Peterson directed the student body in an orchestra fashion to achieve the harmonizing of their voices.

School volunteers provide an invaluable contribution to the educational program. They supplement the efforts of the staff and provide a human resource that enriches the students' school experience. The result is a gift of quality time to the children. This community is fortunate to have so many of its members serving as school volunteers. Besides the people who give time, there are a number of folks who make various donations to the school. Some of the donations made over the past year were: in memory of Ms. Myrgurine Johnson (funds to purchase library materials); Ms. Donna Newton (a sewing machine for craft projects); Mr. Michael Shklar (IBM computer); Mr. Robert Blackwood (blue stone for a walk way); Ms. Kim Gaddes and Mr. Steve Lamery (playground equipment); Mr. Joseph and Ms. Heather Downey (sand, mulch and materials for the playground); Mr. Paul Barrett (computer equipment); Mr. Ernie Dennis Sr. and Mr. Gary Dennis (the construction of a showcase for the Model Home Project); Ms. Carole Martin (Apple computer); and the P.T.C. with the 1994 Eighth Grade Class (a school sign placed at Route 10).

We frequently receive feed back from the surrounding high schools about the performance of Goshen-Lempster graduates. The data comes from the posting of honor rolls, conversations with parents, and communication with various high school staff members. The reports are quite favorable, many of the students receive recognition for their scholastic achievements. Some of the students actually begin their high school experience with advanced credit; last year twelve percent of the eighth grade students earned high school credit while at the Goshen-Lempster School. In September, forty percent of the eighth grade students were enrolled in a high school level course.

During the past generation, we have seen vast changes in our social structure, generating new and complex challenges. The one constant that remains is our strive to provide a nurturing environment for our children. It is our responsibility to provide a flexible, creative, open system of education that accommodates the development of each child to the extent of his/her ability. It is that challenge that we (parents, school staff, community, School Board) rise to each and every day; the quality of this District's school program is a tribute to how well this community is meeting the challenge.

John Bonfiglio

REPORT OF THE SPECIAL NEEDS DIRECTOR

To the Citizens of the Towns of Goshen and Lempster:

It has been a pleasure for me to work with your staff and students since I become Special Education Director last April.

Members of the school community were pleased this year to have Janice Bellevance return as special education teacher. It has helped the special education program to have someone familiar with your students and their curriculum.

I serve as case manager and work directly with the students who are in out-of-district placements and monitor very closely students who are in the various high schools.

During the next year we will be looking at ways to provide training that will enhance your existing programs. I will also be exploring ways to offset some of the related services costs that your district has. A constant challenge for me is to provide transportation for preschool and high school students. I am grateful this year for the faithful drivers we have who manage to deliver students safely and on time. I will continue to explore the most cost effective ways to provide this service.

Your preschool special education students are well served by our preschool coordinator, Betsy Gibbs. Betsy is responsible for identification and service coordination for children ages three to six. Eligible children are provided services at local child care programs.

Thanks especially to the wonderful parents who allow us to work together with them to provide necessary services to their children.

Respectfully submitted,

Frances Irvine
Special Needs Director
